CARDIO

BOUNCE:

Trampoline workouts are known to benefit your entire body with particular emphasis on toning abs, legs and glutes, this workout is low impact and high cardio so it is easier on your joints.

CYCLE:

Pedal through a high energy, motivating and contagiously invigorating spin workout with Bergen's top indoor cycling instructors. This class is easy for beginners to succeed in while challenging the most experience riders.

STEP:

This classic cardio workout has lasted for decades because it is fun and it delivers results. Step up, around and down in different patterns as you build the choreography while boosting your heart rate and strengthening your muscles.

STRONG NATION™:

Cardio based interval training which incorporates mostly body weight movements. Raise your heart rate and fire up your muscles for a full-body, high intensity, killer workout!

ZUMBA®:

"Exercise in disguise", Zumba is a cardio workout set to great music. It incorporates muscle conditioning, balance and flexibility, boosts energy and leaves you with a serious dose of awesome after each class.

STRENGTH & CARDIO/STRENGTH

BOOTCAMP CIRCUIT:

Ready? Set...GO! Total body workout focusing on strength and cardio for a heart pumping, calorie torching workout. Cardio, strength and core movements are planned on a 3:2:1 ratio. Open to all levels, this class puts first-timers and fitness die-hards side by side but allows for progress at the individual level.

BURN:

Total body workout focusing on strength with a blast of cardio for a heart-pumping calorie burn. Open to all levels, this class will vary every week from circuit to individual stations.

BUTTS N' GUTS:

45-min intense focus on the Glutes and Abs resulting in a stronger, more chiseled physique.

ENERGY CIRCUIT:

Wake up and get energized with this circuit driven class all about interval cardio and strength training which ignites your metabolism while improving flexibility, agility and endurance. All levels are welcome as each circuit works you at your level.

KICKBOX & KETTLE BELLS:

General boxing and kicking techniques are applied while attacking the upright punch bags and are combined with a Kettle Bell class for the ultimate TKO challenge. All levels can participate in this class the circuit creates a challenge that can be modified as needed. *Optional: Boxing gloves or wrap tape.*

STACKED:

This class will push you to the limits of your intensity and endurance as weight and cardio movements are added or "stacked" through eight progressive rounds.

STRENGTH:

Barbell, dumbell and body weight work muscles to burn fat, build muscle, increase stamina and get you STRONG! All levels welcome.

TOTAL BODY PUMP:

Tune in and tone up! A solid muscle class that works your entire body utilizing barbells, dumbells and body resistance in this challenging and effective class.

MIND, BODY AND STRENGTH

HALO SCULPT:

This pilates-based, low intensity toning class utilizes stability balls and light weights. Feel your muscles ignite as they strengthen and tone.

PILATES BARRE:

Combine the basics of pilates with ballet-inspired moves, like pliés and attitudes, as well as incorporating elements of dance, yoga and toning resulting in enhanced cardio fitness.

PILATES BOOTCAMP:

Pilates basics timed and energized for maximum results. Most movements are focused through low weights/high reps or body weight.

YOGA:

Beneficial to everyone, with an emphasis on the basic postures and progressive variations. These classes sets a solid foundation and develops strength and flexibility for the more advanced postures. Whether you are focused on Balance & Flow or Meditation for relaxation, our expert instructors will guide you in achieving your goals with your practice.

AQUATICS

H2O EXTREME:

Strength Training in the pool builds muscle and endurance while minimizing the strain on your joints. Using water and Aquatic Training tools for resistance, you can enjoy and injury free full-body workout.

H2O FIT:

Water class designed to improve flexibility, range of motion, strength, muscle tone and cardio endurance all while reducing the impact on the joints, feet and back. Movements are performed to lively music making this a fun and effective workout. All levels welcome!

H2O HIIT:

Cardio and Strength Intervals gets the heart rate up building endurance while toning. All levels are welcome.

H2O RUN:

Running or Jogging in the pool is a great "running" workout without the impact on the soles, knees or back. Burn more calories per mile than an actual outdoor run. Excellent workout for runners or "wanna-be" runners.

FOUNTAIN FITNESS PREMIUM CLASSES

Held in a small group setting, these classes are goal oriented and focused on increasing strength, stamina and endurance while having fun! Cost: \$30/session or \$200/8sessions. **RESERVATIONS REQUIRED

PILATES REFORMER:

Push and pull against the resistance of the springs, carriage and your own body weight makes this the ultimate strength-building full-body workout. Low impact yet highly intense, this will be the most productive part of your day.
